DECLARATORY RULING:

The South Dakota Commission on Gaming has filed a Declaratory Ruling with the Legislative Research Council. Eugene Johner made the

petition for the ruling as president of DWD, Inc., regarding the Deadwood Gulch Saloon. The request asked the Commission to determine if a structure adjacent to the Deadwood Gulch Saloon constitutes a third building for the purpose of determining the number of gaming devices that can be placed in the building. After hearing the evidence the Commission determined that the structure known as Building Number 3 does constitute a third building for the purposes of determining the number of gaming devices that can be placed in the building.

The Declaratory Ruling is dated April 10, 2002 and may be reviewed or copied at the office of the Legislative Research Council during normal business hours.
